Today, #30citiesin30days brings us to Singapore, the location of Aspire Lifestyles' second headquarters location. Bincho at Hua Bee, which ties Singapore's past with the present, is an all-in-one unique dining concept, inspired by yakitori-ya in Osaka. By day, Bincho is a 70-year old mee pok (local flat noodles) stall. However, at night, it transforms into a copper-hued, other-worldly, dining destination. Step through the hidden back door for a culinary adventure led by Chef Asai Masashi, a sensory escape into the cool urban vibes of Japan. A preferred partner of Bincho at Hua Bee, Aspire Lifestyles can provide VIP access and amenities for our customers when dining reservations are made through their Concierge.

Chosen by the celebrities around the globe, Gilan is one of the most treasured jewelry brands. Gilan's story began in the 18th century, in a village in Kosovo, with a grandmother who sewed tailor-made dresses for the Ottoman Pashas. True to their artisan heritage, brothers Muharrem and Ferhan Geylan began their quest for luxury in 1980, in a tiny jewelry store. Later, they moved to Istanbul where Gilan flourished as a renowned luxury jewelry house; creating exceptional pieces for strong, independent women of the 21st century.

As a preferred partner of Gilan, Aspire Lifestyles can provide customers with discounts on purchases.

When you stay at the 5 Star Harbour Rocks Hotel by M Gallery you get more than just excellent service and a luxurious experience. Located in the historic district of Sydney, the story behind the building in which Harbour Rocks Hotel is housed speaks to the history of Sydney itself. In 1887 when Sydney had nearly completed its transformation from penal colony to independent city, the building was constructed by a team of carpenters that included convicts. Each room pays homage to the heritage of the building, featuring original brickwork and sandstone. While you indulge in the outstanding amenities, and dine at their onsite Middle Eastern Restaurant TAYIM, you can hear from knowledgeable staff the tales of love, loss and betrayal which are a part of the rich history at the Harbour Rocks Hotel.
